Version pr105-1

This report does not decide that an asset is at risk. It records evidence, the relationship to the asset, and a question a professional may want to ask.

5 assets are in this portfolio.

9 sourced records are attached. Records that name a different place are not attached.

Could this warrant review of planned capital expenditure, insurance assumptions or business-continuity planning? No financial conclusion is made.

EVIDENCE

Central Bank of Ireland, North Wall Quay

The Bank states that North Wall Quay is the first office building in Ireland to achieve a BREEAM Outstanding rating at design stage. The page does not present that sentence as an operational certificate.

Relationship: ON THIS SITE · ON_SITE · NOT_ESTABLISHED

Why this is included: ENVIRONMENT. ON THIS SITE. The sentence is about the North Wall Quay building, and it is explicitly a design-stage rating. Source: Central Bank of Ireland.

Status: DESIGN.

Question, not a conclusion: Could this warrant review of planned capital expenditure, insurance assumptions or business-continuity planning? No financial conclusion is made.

Event date: Not stated · Publication date: Not stated

Source: Central Bank of Ireland <https://www.centralbank.ie/about/our-dockland-campus>

Unknown: A coordinate, a dependency and a financial effect were not established unless a row says so.

Central Bank of Ireland, North Wall Quay

The Central Bank of Ireland contact page states the docklands address as New Wapping Street, North Wall Quay, Dublin 1, D01 F7X3. No latitude was published on that page.

Relationship: ON THIS SITE · ON_SITE · NOT_ESTABLISHED

Why this is included: ASSET. ON THIS SITE. The institution publishes this building as its docklands address. A coordinate was not published. Source: Central Bank of Ireland. Status: Not stated.

Question, not a conclusion: Could this warrant review of planned capital expenditure, insurance assumptions or business-continuity planning? No financial conclusion is made.

Event date: Not stated · Publication date: Not stated

Source: Central Bank of Ireland <https://www.centralbank.ie/contact-us>

Unknown: A coordinate, a dependency and a financial effect were not established unless a row says so.

Dublin Port

The same Masterplan page says works have commenced on the 44-hectare Dublin Inland Port adjacent to Dublin Airport. That sentence is about the inland site, not every project in the €1 billion plan.

Relationship: REGIONAL CONTEXT · CONTEXT_ONLY · NOT_ESTABLISHED

Why this is included: INFRASTRUCTURE. REGIONAL CONTEXT. Dublin Inland Port is described as adjacent to Dublin Airport. It is not stated to be this port estate. Source: Dublin Port Company. Status: CONSTRUCTION.

Question, not a conclusion: Could this warrant review of planned capital expenditure, insurance assumptions or business-continuity planning? No financial conclusion is made.

Event date: Not stated · Publication date: Not stated

Source: Dublin Port Company

<https://www.dublinport.ie/masterplan/masterplan-2040-reviewed-2018/>

Unknown: A coordinate, a dependency and a financial effect were not established unless a row says so.

Dublin Port

Dublin Port Company's Masterplan 2040 review page says the masterplan was first published in 2012 and reviewed in 2017 and 2018, and that capital investment of €1 billion is planned over the next decade. Planned is not delivered.

Relationship: REGIONAL CONTEXT · CONTEXT_ONLY · NOT_ESTABLISHED

Why this is included: PUBLIC_MONEY, REGIONAL CONTEXT. The €1 billion figure is the company's plan for the port. It is not a sum assigned to one berth, and it is not described as spent.

Source: Dublin Port Company. Status: PROPOSED.

Question, not a conclusion: Could this warrant review of planned capital expenditure, insurance assumptions or business-continuity planning? No financial conclusion is made.

Event date: Not stated · Publication date: Not stated

Source: Dublin Port Company

<https://www.dublinport.ie/masterplan/masterplan-2040-reviewed-2018/>

Unknown: A coordinate, a dependency and a financial effect were not established unless a row says so.

Dundrum Town Centre

The Irish Times reported on 18 August 2025 that Dún Laoghaire-Rathdown County Council had refused a retention application for food concessions at Dundrum Town Centre, and that an appeal had been lodged. This row is the news report, not the planning order.

Relationship: ON THIS SITE · ON_SITE · NOT_ESTABLISHED

Why this is included: PLANNING, ON THIS SITE. The report is about the plaza at this centre.

The planning order was not retrieved. Source: The Irish Times. Status:

APPLICATION_SUBMITTED.

Question, not a conclusion: Could this warrant review of planned capital expenditure, insurance assumptions or business-continuity planning? No financial conclusion is made.

Event date: Not stated · Publication date: 2025-08-18

Source: The Irish Times

<https://www.irishtimes.com/business/2025/08/18/dundrum-town-centre-owners-appeal-council-refusal-for-outdoor-food-concessions/>

Unknown: A coordinate, a dependency and a financial effect were not established unless a row says so.

Dundrum Town Centre

BreakingNews.ie reported on 27 November 2025 that An Coimisiún Pleanála had upheld the council's refusal for food stalls on the plaza at Dundrum Town Centre. The Commission's order was not retrieved.

Relationship: ON THIS SITE · ON_SITE · NOT_ESTABLISHED

Why this is included: PLANNING, ON THIS SITE. The later report is about the same plaza application. It is a second publication, not a second decision. Source: BreakingNews.ie.

Status: REFUSED.

Question, not a conclusion: Could this warrant review of planned capital expenditure, insurance assumptions or business-continuity planning? No financial conclusion is made.

Event date: Not stated · Publication date: 2025-11-27

Source: BreakingNews.ie

<https://www.breakingnews.ie/ireland/dundrum-town-centre-refused-planning-permission-to-keep-using-plaza-for-foodstalls-1835169.htm>

Unknown: A coordinate, a dependency and a financial effect were not established unless a row says so.

Intel Ireland, Collinstown Industrial Park

An EPA industrial-emissions application form for Intel Ireland Limited at Collinstown

Industrial Park, Leixlip, prints register number P0207-05, receipt date 26 November 2019,

and Eircode W23 CX68. It also states an Irish Grid centre of E298500 N237000. A WGS84 coordinate was not derived.

Relationship: ON THIS SITE · ON_SITE · NOT_ESTABLISHED

Why this is included: ENVIRONMENT. ON THIS SITE. The form names this installation. No conclusion is drawn about emissions performance. Source: Environmental Protection Agency.

Status: APPLICATION_SUBMITTED.

Question, not a conclusion: Could this warrant review of planned capital expenditure, insurance assumptions or business-continuity planning? No financial conclusion is made.

Event date: 2019-11-26 · Publication date: 2020-04-25

Source: Environmental Protection Agency

Unknown: A coordinate, a dependency and a financial effect were not established unless a row says so.

Intel Ireland, Collinstown Industrial Park

An EPA PDF states that it is a clerical amendment to an industrial-emissions licence for Intel Ireland Limited at Collinstown Industrial Park. The scan says the licence was granted on 17 November 2022 and amended on 5 June 2024, and that Schedule 8.1.2 is amended. The scanned register number reads PO207-05. The 2019 form prints P0207-05. Those two readings were not silently reconciled.

Relationship: ON THIS SITE · ON_SITE · NOT_ESTABLISHED

Why this is included: ENVIRONMENT. ON THIS SITE. The amendment names this installation. The scanned register number and the form's register number are both shown. Source: Environmental Protection Agency. Status: Not stated.

Question, not a conclusion: Could this warrant review of planned capital expenditure, insurance assumptions or business-continuity planning? No financial conclusion is made.

Event date: Not stated · Publication date: 2024-11-21

Source: Environmental Protection Agency

https://epawebapp.epa.ie/licences/lic_eDMS/090151b2809052d4.pdf

Unknown: A coordinate, a dependency and a financial effect were not established unless a row says so.

Lands described as adjacent to Bracetown Business Park

A March 2023 selling-agent page states that lands adjacent to Bracetown Business Park are zoned E2/E3 in the Meath County Development Plan 2021–2027. The development-plan document itself was not retrieved.

Relationship: ON THIS SITE · ON_SITE · NOT_ESTABLISHED

Why this is included: PLANNING. ON THIS SITE. The page describes these lands. It is the agent's account of the zoning, not the plan document. Source: Coonan Property. Status: Not stated.

Question, not a conclusion: Could this warrant review of planned capital expenditure, insurance assumptions or business-continuity planning? No financial conclusion is made.

Event date: 2023-03-16 · Publication date: 2023-03-16

Source: Coonan Property

<https://coonan.com/bracetown-clonee-co-meath-approx-15-acres-6-07-ha/>

Unknown: A coordinate, a dependency and a financial effect were not established unless a row says so.

GAPS

river-level: NOT_CHECKED. No gauge series was opened for these five assets.

sac-relationship: NOT_CHECKED. No protected-site boundary was overlaid.

budget-line: SOURCE_UNAVAILABLE. The budget series was not opened. This is not a finding of no change.

METHOD

Event date and publication date are stored separately.

A news report is not the planning order.

A design-stage rating is not an operational certificate.

Planned capital investment is not delivery.

Distance is not dependency. Missing evidence is not safety.
This snapshot is kept with the issued file. A later retrieval does not change this issue.
